

## Come, celebrate the Season of Joy at EsselWorld!

It's the Season of Joy at *EsselWorld and Water Kingdom!*

India's largest and most popular amusement destination is celebrating the colourful and vibrant festivals of Diwali, Christmas and New Year's Eve with family and friends — bringing them together in a spirit of warmth, happiness and good cheer.

In this wonderful season of joy and giving, EsselWorld is offering an unlimited bonanza of fun, fantasy, games and shows guaranteed to wow people of all ages.

The twin amusement parks celebrated the 'Festival of Lights' with the ***Magic of Science Carnival*** to inculcate a thirst for scientific knowledge among young visitors. The edutainment fête was interactive and included science-based fun and games. It included a science exhibition that traced evolution from the primitive age to the tech age, which had everyone in thrall.

The showstopper of the carnival was the parade of characters associated with science and science fiction, like the crazy scientist and his assistant, weird aliens, astronauts and their spacecraft, robots, and the Fab 5 characters of EsselWorld — Andy, Mimi, Riki, Mayur and Mithu — among others.

EsselWorld will keep up the mood and tempo of celebrations through the entire holiday season.

Coming X'mas, the amusement park will invite patrons to its famed snow-capped Santa town with Santa and his elves. From December 24 through January 2, 2017, the popular Santa on his sleigh from the Arctic will be parked at the central garden. What makes this event exciting for kids is that they can write letters to Santa with the help of Elves and post them – and get a chance of having their heartfelt wishes fulfilled.

New Year's Eve is going to be no less fun and memorable at EsselWorld. The twin parks will ring in 2017 with ***BigNite — India's largest New Year's Eve bash*** — hosted by acclaimed ***DJ Praveen Nair***. The high-powered event boasts the biggest open-air dance floor, four themed dance zones, state-of-the-art audio and lighting equipment, laser show, magical parades, international acts and fireworks.

And let's not forget the 64 acres of rides and thrills or the many exciting events that include live performances by clowns, jugglers and fire-eaters, face painters and tattoo artists, hair braiders and mehndi makers, fortune-tellers and magicians. The daylong rollercoaster of fun, music and adventure will also tickle palates with fab foods and refreshing drinks.
